Olbrich is a magically, expansive private green space featuring rose, rain and sunken gardens as well as the most unique area, the Thai Pavilion and garden. The pavilion was a gift to University of Wisconsin-Madison from the Thai government and the location was chosen specifically because it is surrounded by water, which means good health and prosperity to Thai culture. FREE with suggested donations. Summer hours 8am-8pm
- B** **TENNEY PARK** 1414 EAST JOHNSON ST
On the Mendota-side of the Isthmus, Tenney Park is a picturesque retreat with romantic bridges and plush green grass. Relax on the grass, swim in the lake, walk around, or even ice skate in the winter. Note: the jetty was the location of Bikabout founders' wedding ceremony.
